Forecast for Thursday 07 Jan 2021

Weather: A cold morning with a widespread frost and a few freezing fog patches. These will clear quickly during the early hours, leading to a sunny morning with light winds. Becoming cloudier in the afternoon with a few wintry outbreaks during the evening, mainly light but leading to accumulations at higher levels.

Chance of cloud free mountain/hill tops above 600m: 90%, outbreaks of light snow later.

Visibility: Good at height, with distant hills clearly visible but mediocre in valleys, with a few freezing fog patches slowly clearing. Deteriorating through the afternoon to become poor in any outbreak of snow.
